

## Top 25 FREE Traffic Sources

Who doesn't want to increase traffic to their website? There are countless different ways to increase traffic to your website. Most people believe that the only way to drive traffic will cost them a lot of money. There are plenty of methods of driving traffic that people pay for, but frankly the majority of the best ones are free.

Why is that? You might ask. Organic ranking and visibility are based more on link popularity and stickiness than anything else.

The key to the success of your website or business online is increasing traffic to the website, or blog and building an ever increasing audience. Listed below are the top ways for anyone to increase traffic to their website.

More traffic can also help to improve ranking, visibility, and increased revenue.

1. Writing Articles and Blog Posts, and submitting them
2. Youtube and Vlogging

12. Search Engine Optimization is a terrific way to drive organic traffic. Make sure to optimize your site by taking advantage of keywords and excellent content.

13. Backlinks area great for search engine optimization and driving organic traffic. If your looking to buying high quality backlinks there are many companies where they can be purchase. Here are a couple of companies I have bought backlinks.

- SEO Link Monster : Easy to use and gives excellent SEO results. Some of my sites are only promoted using SLM and that is sufficient to get top 3 rankings in Google

- Backlink Beast : Interface is very unfriendly and it is difficult to use. But the SEO results are good for long-tail relatively low-competition keywords.

Other networks you might want to consider once you start making money:

- SEO Link Vine : Very effective in ranking fast, but requires more effort since you have to write at least 100 words per link.

14. Guest posting will help grow your brand and is a popular option to drive traffic. I have included a link with various sites with high ranking that allow guest posting.

[Http://blogging.org/blog/sites-that-allow-guest-posting/](http://blogging.org/blog/sites-that-allow-guest-posting/)

15. Investing in E-mail listing will help your website drive tons of traffic. I have enlisted some of the organizations that provide E-mail listing services for a reasonable price.

Aweber
